## The Magnificent Alice and Her Wet Panties

Dear Virgin Territory,

Shit! I just realized it's been a while since I last wrote to you, and I am now behind a few issues in sending one of my letters. I'll get caught up here pretty soon and will start with the June '13 issue of *18eighteen*. I knew the June issue was going to be hot when I saw the smoking fine Alice on the front cover.

Katie's hardcore layout was sizzling. She sucked and fucked that cock so well and the cumshot all over her pretty face was stellar.

My dream girl, Lara, was next and she is perfect in every way. I loved the picture of her spread pussy on page 21, but I wish it was my cum oozing out of it. She is so gorgeous.

My next favorite was petite Dolly. She is another hottie with tiny tits, a smoking hot ass and an amazing cooch. I hope to see her in some hardcore action soon.

Bubble butt babe Ashley was next and she is another perfect 10. Her

entire layout was on fire, but I especially loved her twat shot on page 46. It looks so tasty.

After Ashley was Ksenija, and her layout had tons of pre-cum oozing out of my prick head. On page 55, I wish it were my cock splitting her tiny pussy lips open as she watches.

The magnificent covergirl Alice was next, and when I got to her layout I shot a massive load of jizz all over the first page and had to try drying it so I wouldn't destroy it. Alice and Lara were neck and neck as far as my #1 favorite teen tramp. Alice is another babe with barely-there tits, killer ass, fresh and ripe cunt and adorable face. The bottom picture on page 60 with the gorgeous wet spot in her panties really did it for me, and I hope to see more of that in the future.

The next hardcore layout and my last one I liked enough to comment on was that of Bella and, while she's not

that hot at all, it was a decent one, and I love teen tarts who take it in the ass. Bella did do an all-star job taking that huge cock and sucking and fucking the shit out of it and the messy explosion on her belly was a nice reward.

The June issue was overall pretty good with some exceptions. I look forward to going back through the next couple issues I need to catch up on writing about. Look for letters on those next issues soon.—M.F., Camp Hill, Pennsylvania

Dear M.F.,

Always good to hear from you! Happy you enjoyed the June issue, and we're certain you're going to love the next few issues. Here's a hint: Alice will definitely be back in one of the upcoming issues in one of her hottest pictorials yet! And if you're too horny to wait, you can always buy the *Jizzed Teens DVD* (order on page 9) and watch her get split in half by a horny stud's cock!

## Ava's Fragrant Cooch

Dear Virgin Territory,

So happy you brought our dear girl Ava back! And this time in hardcore! I think it was the best pictorial of all the ones you had in the Aug. '13 issue. In fact, I don't think anyone could contest that. The whole plot of the guy finding and sniffing her panties before they got it on was truly magnificent. I do plan to buy *Cotton Tail 2* soon. I got *Cotton Tail* (the first one) when it first came out, and let me tell you, that it is truly one of the most fantastic pornographic DVDs I've ever purchased. I love panties on girls, and you guys chose some beau-

issues, all complete with extra-hot pictorials of our favorite adorable blonde. You can also hit up [18eighteen.com](http://18eighteen.com) and find even more pics and videos of her in both solo and XXX!

## Remembering Poppy

Dear Virgin Territory,

If the editors of *18eighteen* magazine ever decide to republish sets of models from its vast archives as a service to readers who may have missed them in their first go-around in the magazine, I would like to nominate Poppy as the first featured teen babe from the past. *18eighteen* has showcased some incredible beauties in its over-a-decade-long existence, but it's

Poppy was featured in '02, but reader R. hasn't forgotten her.

tiful, young talent for that one. But part two looks way better! More super sexy girls in that one! And I really want to see lovely Ava in action. I saw the trailer for it up on [ebooobstore.com](http://ebooobstore.com), and she seems like a very talented, young fuck. More Ava! She can get my dick to rise any day.—J.P., Winter Park, Florida

Dear J.P.,

Ava is one of our most popular, most fuckable teens. If you'd like to have the complete Ava collection up to now, make sure to visit our back issues section and order the Holiday '12 and March '13

my opinion that the incredible pictorial of Poppy from the July '02 issue is the one that needs to be dusted off first from its storage closet and be allowed to be viewed and enjoyed once again by all. Despite this pictorial being over 10 years old, there is no denying that Poppy was simply a stunning model that oozed raw sexiness in the most breath-taking fashion. The extra pictures of her on your website are also very arousing and very appreciated. This set of Poppy is one that clearly needs to be rescued from its archival obscurity and resurrected to once again make the hearts

Dear R.,

## Black & Beautiful

Dear Virgin Territory,

I have a suggestion. In the past you've featured some gorgeous black girls. How about doing a DVD of some of them? I'm sure it would be a big hit! My big favourites were Minnie Crush and the gorgeous Brit babe Kayla Louise.

Hope you will consider it. I admit I have ulterior motives because I really want to see Minnie Crush and Kayla Louise again, but I hope you will consider my idea.

Of course, even if you did produce it I doubt I would see it. It probably wouldn't be available in the UK, and I couldn't take the risk of buying it direct from you as I would not know how much you would take from my credit card account.

Or, if you didn't want to do that, how about a DVD of gorgeous, young blonde girls (please, please)? More choice there. My special favourites are Jayden Moore and the really gorgeous Nancy Sweetstorm.

**J.R. wants to see a video of all black teens. What do you think?**

### Riley On the Couch

Dear Virgin Territory,

Riley Ann is gorgeous and desirable in jeans and laying back on that couch. That girl has the most beautiful breasts and curves I've ever seen! Not to mention the best hips, thighs, butt and legs! I just wish that was my couch! The first pic of her on the couch in her [18eighteen.com](http://18eighteen.com) photo set is my new favorite, and I'm framing a copy for my bedroom. Sooo many good shots in this set! Thanks for posing, Riley Ann!—L., via email

Dear L.,

That was one of the first shoots we did of Riley. We knew readers

Maggie has the kind of face that's perfect for covering in your jizz.

would love her cherubic face and tiny tits. Years have passed since our first shoot of her, and she's changed a lot. But we'll always remember her this way.

### Maggie Needs Cum on Her Face

Dear Virgin Territory,

Maggie is such a cutie. From that first photo on the first page of her layout she entranced me with her beautiful, blue eyes. She is gorgeous from head to toe. Thank you for including a full-body photo of her standing on the stairs. Those are my favorite type of photo because you can see everything about the girl. I find Maggie's flat chest to be very sexy. I was never a fan of big boobs (can you tell I'm an *18eighteen* reader?). I was staring at the photo of Maggie sitting on the chair on page 23, just imagining sliding my dick in and out of her lovely pussy, her labia clinging to my shaft, her legs up over my shoulders. And cumming on that pretty face with those big, blue eyes looking up at me would be the ultimate experience. I hope to one day see her getting a huge, creamy facial.—B.P., New Orleans, Louisiana

Dear B.P.,

We currently don't have Maggie in any hardcore action, but if that changes we'll be sure to get a messy facial for you. **18**

Angel-face Riley got comfy on the couch the first time we shot her.

### **Lacey never made it to the party...**

She and her guy friend were supposed to head out to a Halloween party, but she got a little too horny thinking about the vibrator she bought the other day. Rocky didn't really mind once she started sucking his cock, though. The point of the party was to find someone in a slutty outfit and get laid, but this time they just cut to the quick.

**Does your pussy  
usually get so creamy  
while you fuck, Lacey?**

"It does! I used to think it was kind of weird, but guys seem to get really turned on when they can see how wet and horny my twat is. Plus it helps lube things up so I can ride a dick for hours without either of us getting too sore. Guys usually lick it off me happily. Getting oral is the best!"

### **What are your favorite positions?**

"Definitely cowgirl and doggy! I like being on top and in control of the fucking, plus I like doing it while putting my legs practically behind my head. Guys love that! Doggy is my #1 but only if the guy is under eight inches!"

### It's a tradition to eat lots of candy and sweets for Halloween.

But for Ava (the redhead) and Healthier (the brunette), the real treat is when they get to eat each other! They go out to show off their costumes and make boys hard by flirting and showing skin. Then they come home and eat each other's pussies. No boys needed for a good time! Now, that doesn't mean they don't ever play with cocks (they do, and they love it), it just means that tonight is a clam jam with clit flickin' and butt hole lickin'!

## Eating teen pussy is better than candy!

"Sometimes I just get the urge to eat pussy," Ava told us. "I start thinking of my head being between a girl's legs and lapping up her slit, and I really start to crave it. I like it when I start licking it and her pussy is more or less dry. Then when she starts to get into it and maybe cums her juice starts to leak out. It has its own special flavor that tastes good. I love sticking my tongue deep inside!"

## Heather, do you like Ava's twat?

"Duh! It's really nice, and she tastes like a dream. I also love that the drapes match the carpet. She used to shave her pubes, but I told her to grow them back out. I like seeing the contrast of her red bush and my black pubes when we're bumping and grinding our clits together."

# YOU MOVE ME

Sure, hot sex in a bed is great, but some people like it on the go literally. Whether cruising in the desert, speeding through the mountains on two rails or on an overnight at 35,000 feet, these ladies make for moving targets you'd definitely want to hit. **By Payton Parker**

**T**he bus had been rolling for about an hour on the 15, falling into the signature sway that rocked even the most downtrodden Vegas pilgrims into a fitful sleep on the ride back home to Los Angeles. For the time being, they'd forget what they'd lost, stop calculating the overtime necessary to make rent and sit in the dusky purple glow of the cabin's nighttime lighting—like an aquarium in one of those nightclubs her fellow passengers either couldn't afford or never visited because they sat at the slots and electronic poker machines for the duration of their stays. The only way to get them out of the seat was with a crowbar. They stayed until there was no money left in their wallets.

Melanie knew about the custom tanks, the

expensive leather banquettes, the sleek lighting—all of it—very well, of course. She danced at one of those clubs inside a cage that probably cost as much as a new car. No stripping. Just dancing. It was a posh operation after all, and she was part of the

décor, dancing in some kind of updated go-go bikini or high-waisted gold lame with fringes or in white suede with matching thigh-high boots. She was like a hot girl in an Elvis movie and this was her summer gig.

She smiled and batted her eyes at successful businessmen, pop stars, NBA legends—anyone, really. She was locked in a cage and her only job was to shake her perfect, round, 19-year-old moneymaker well enough so there was plenty of cash to rake into the collection box fitted under the platform on which she stood.

She danced for seven hours a night, with a few breaks for the bathroom, water and such. She never mingled with clients (a house rule). It was nice because outside the glamour of that scene, customers would never recognize her fresh, clean face—she never wore makeup otherwise—as she strolled with her backpack, clad in a t-shirt and jeans or sun dress under the

porte-cochère or as she grabbed a quick muffin from the buffet line. She looked like any random guest's teenage daughter.

This beautiful Sunday night she was going back to Cali, her end-destination over in the Valley, where she'd spend a quiet couple of days getting a jump on schoolwork and spending time with her aunt, uncle and cousins. Melanie was a friendly, all-American girl; quiet, good-natured and surprisingly just a little shy at times.

But tonight, she wasn't gazing silently out into the moonlit expanse of the desert, getting lost in the scenery. She was giving sloppy surreptitious head to the handsome young marine who'd sat next to her, sliding his thick, veiny cock in and out of a very hungry, very horny pie hole that hadn't seen any action in months.

Her horny pussy was creaming beneath her taut, dance-toned thighs, soaking her miniscule lace thong, her heat and arousal spreading well beyond as she swallowed his prick whole, imagining how it would feel to climb on top and impale herself on it

while grabbing the seat back, arching her body while his big, strong hands held her tiny waist. In fact, the whole process was getting her pretty close to orgasm. Or at least, that's what she told me in her letter.

"There's something about the motion of the bus," she wrote. "And every time I go home, I take a night-time ride. I bring my own

Her horny pussy was creaming beneath her taut, dance-toned thighs, soaking her miniscule lace thong...

Threads of hot saliva seeped down and wet his balls, which she squeezed and kneaded hotly as she took him deep into her throat.

light blanket. I get a window seat. And once we're rolling, and the lights are out, and everyone starts falling asleep or reading or whatever, I slide my hands between my legs and just...play. I finger myself. I take a good, long time touching my clit. Pulling it. Circling. Teasing. Sometimes I go for an hour or more, letting the rhythm of the ride be the 'man' that tells my fingers when to go deep, when to come out, when to fuck me home...."

This time, however, she met a young Marine in the bus station.

"He was probably about 25," she guessed. "The name on his uniform was Suarez. That's all I know. We smiled. We talked just a little. He was in Vegas with a few civilian friends and headed back to his base in southern California. He was nice, cute, clean, very polite, but I could tell the way he looked at me that if I made a move, he'd go for it. As soon as I felt like we could get away with it, I leaned forward, kissed him and put my finger to his lips so he'd know to stay quiet. And then I unzipped his pants under the blanket I had tossed across his lap."

Minutes later, she was under it, letting the sway of the bus, created by speedy forward motion and solid desert wind, carry her mouth's rhythm as she slurped and licked and covered the fat mushroom head of his cock with wet, lust-driven kisses. Threads of hot saliva seeped down and wet his balls, which she squeezed and kneaded hotly as she took him deep into her throat, feeling her juicy twat gush as she coaxed the milk out and tasted it, hot and salty, on her

tongue. Listening to his breath as he came, so controlled and careful, was incredibly hot, too.

"I loved how he kept quiet, but couldn't keep his breath from sounding aroused," she wrote. "The sound of him breathing got me crazy. I swallowed and exhaled in my seat before reaching under the blanket, now draping my lap as well, moving my panties aside so I could play. He leaned over and kissed my flushed face—it was hot under that blanket—then leaned next to me and slid his hand over mine, pushing two very long, thick fingers up into my soaking-wet cunny. My eyes rolled back in my head and I just let him go."

Melanie bit her lip, cracking her eyes here and there so she could see the handsome Marine watch her face contort—ever so slightly—as she fought to control the sounds her body wanted to make. His fingers slid gently, deeply, firmly in and out of her glove-tight pussy, his thumb pressed and flicked her swollen, erect clit. She dreamed of his mouth closing around it—impossibility on the bus, she knew—but her mind's eye pictured his smooth-shaven cheeks and chin pressing against it as his soft lips disappeared between her blonde-dusted nether ones.

"That was the image that sent me

over," she wrote.

"I felt my tunnel tighten around his fingers as his thumb did a butterfly dance on my button, making my hips gyrate and buck. I think he was surprised—he made a comment when we said goodbye in L.A. about my being a dancer—at how hard

I was moving against him. But I couldn't help it. That's how hard the whole bus-thing made me cum. The whole hot-anonymous-Marine thing. And the best part was that it was no strings attached. We kissed very sweetly, said goodbye and that was the end of it."

## ORGASM EXPRESS

"Have you ever seen that scene in the movie *Risky Business*?" Tori asked me. "Back before everyone thought Tom Cruise was a Scientology kook? He and the actress, I don't remember her name..."

"Rebecca De Mornay," I interrupt.

"Right, whatever," she says, dismissing me and continuing. I chuckle silently to myself. "They get on the train and just start making out in bright white light, and then they're doing it..."

"Yes, I've seen it," I tell her.

"Hot."

"Yes."

"Well, that's what made me want to do it on a train!"

Tori is 19, precocious and chatty and bouncy with fair skin, honey-brown hair and impossibly wide green eyes that give her pretty young face a look of almost perpetual surprise and delight. She is curious and child-like in ways, but with a decidedly mature attitude when it comes to sex, which she enjoys—quite adventurously—with her boyfriend in all kinds of public places. Most recently, on an 11-hour journey all the way from Oregon to Vancouver.

"The scenery was incredible!" she gushed. "Mountains, rainforests, all kinds of stuff! But before I saw any of it, I wanted to find one of those sleeping cars and knock that idea off my sexy bucket list. Let's face it, we had almost 12 hours. It wasn't like fucking was going to take that long!"

I wonder if she'd have said it that

## Hi, Patritcy. What made you want to pose for us?

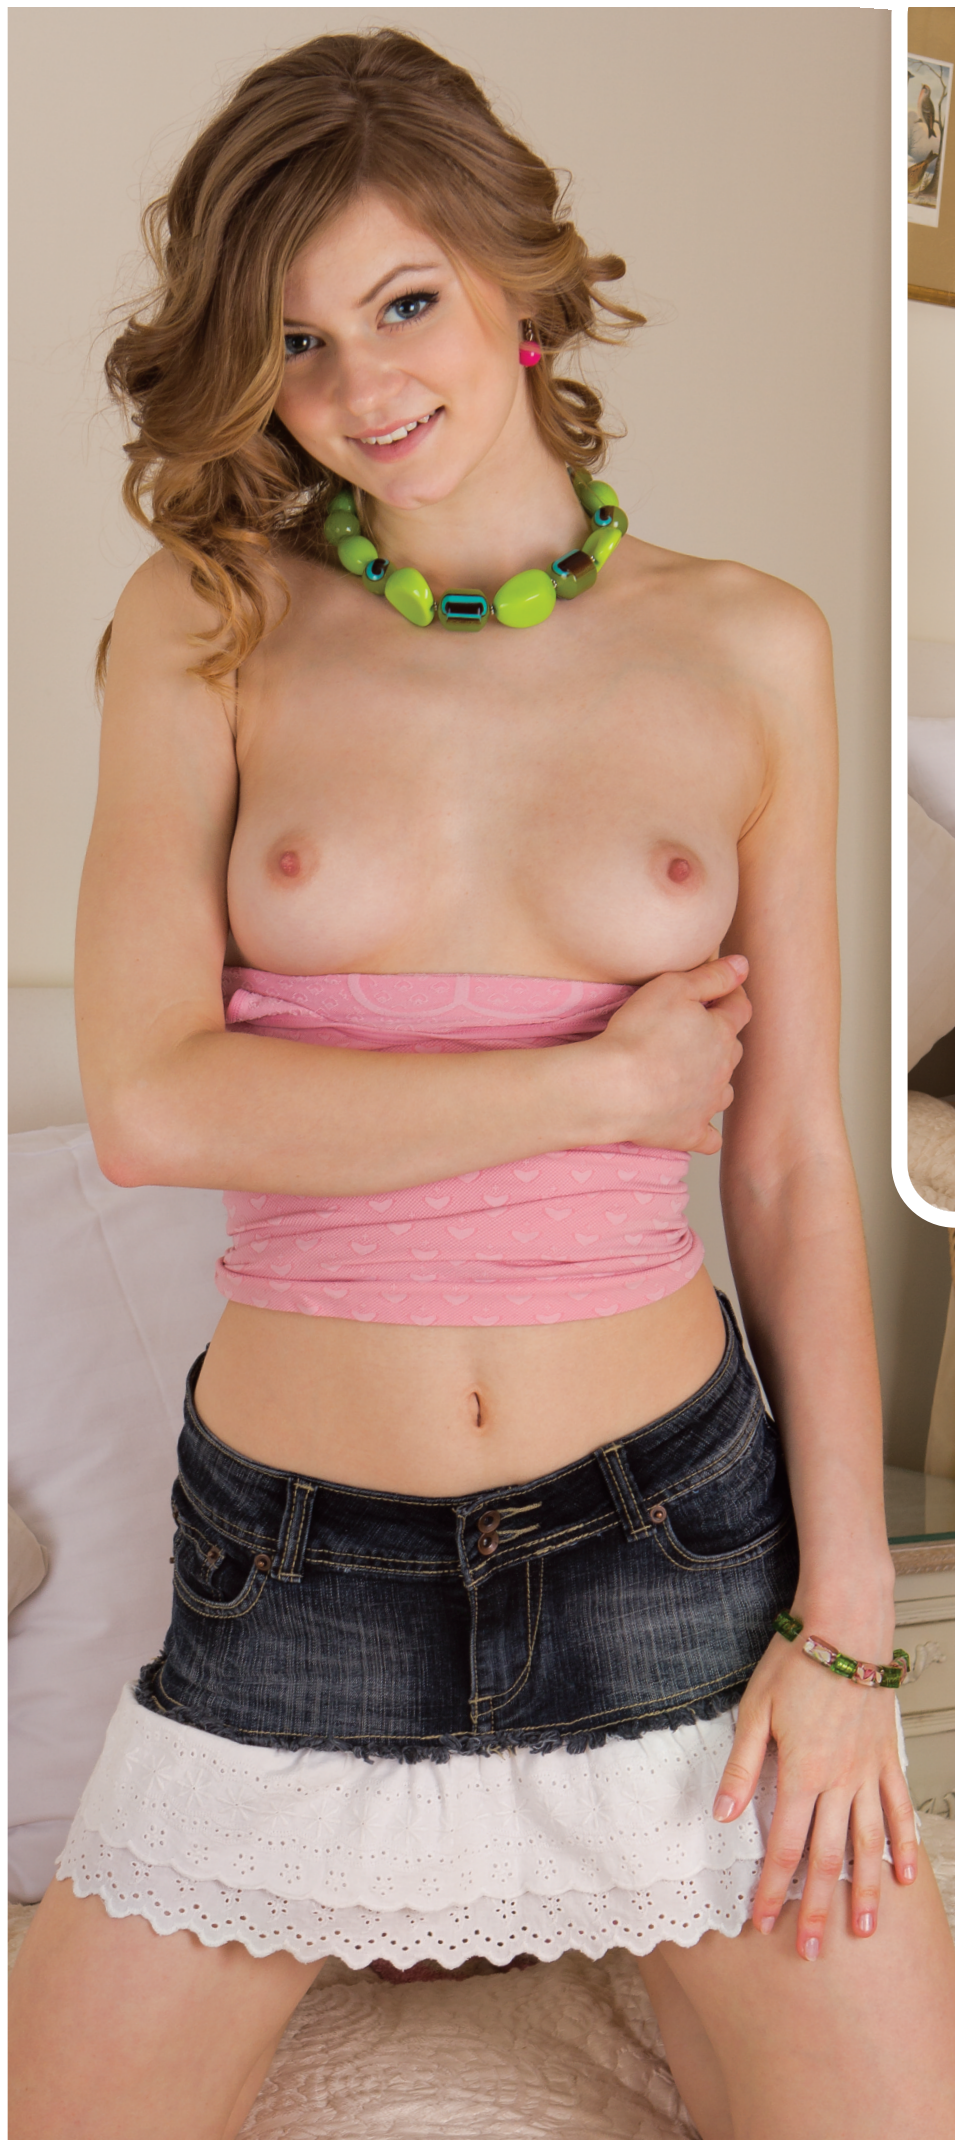

"It seems like fun! I always wanted to be a model. I started off doing regular modeling for my photographer friends, and I started to feel so comfortable that I wanted to try nude modeling. It makes me feel sexy, and I like knowing that guys are admiring my body. I might as well show off what I've got while I'm still young and tight!"

**HEIGHT:** 5'7" **WEIGHT:** 116 lbs.  
**BRA SIZE:** 34B **BORN:** April 26  
**LIVES:** Toronto, Canada

**We've noticed that you have extremely small pussy lips, Patritcy.**

"Yes, I do. They are like, really, really small! I never thought anything of it until I started hooking up with guys, and they started commenting on it. They would tell me that my pussy was so pretty and little. I got curious so I looked up porn videos online to see other girls' pussies, and I was surprised at how much variety there was! I guess I never really thought about it. Really meaty pussy lips look interesting. They look like they would be fun to play with and suck. Maybe one day I can try it!"

**You've had sex with guys, right? And what about sex with girls?**

"I've had sex with a few guys. I haven't hooked up with a girl yet, but I'm definitely open to trying it. I have dreams all the time of eating girls out. It must be my brain telling me something! So I think I might be bi, but I like guys the most. When I'm my horniest I'm thinking about a guy fucking me really good and making me cum so hard that my legs shake."

## YOU MOVE ME

*Continued from page 32*

way if her boyfriend had been present on our coffee date. The journey had embarked at around dawn but by lunchtime, most passengers had gone to get something to eat. That's when Tori and boyfriend, Matt, decided to explore the sleepers in search of a temporarily abandoned bunk. It didn't take long.

"It had bunk beds!" she chirped, "which turned out to be perfect!"

At the outset, Tori climbed up top. "I dangled my legs and hiked up my denim mini," she told me. "Easy access for my super-tall boyfriend to just stand, hang onto the bed—in case of sudden movement—and get his super squiggly tongue all up in my little, bald beaver. Mmmmm." She pauses, shuddering with the memory.

Indeed, Matt devoured her not unlike the Krispy Kremes they'd shared at breakfast, his face becoming similarly glazed with sweetness. His tongue, large and wet, invaded her seeping, sugary crack, sucking on her hairless lips one at a time, making her moan and cream and spread her long, smooth, lovely legs wider. He let go of the bunk to spread her lips, sucking and tonguing her folds, her clit, invading her tight hole, savoring her flavor and her moans as he coaxed an orgasm out of her tight, teenage body. It took only a few minutes. She was that ready to go.

"It was ridiculous-hot!" she said. "I wanted his dick in me right then! But he wanted to play a little longer and once I relaxed a little, he took me down

from the top bunk, gave me a cute look and unzipped."

Tori is tiny at just five feet tall. She took a seat on the lower bunk and dug her small, soft hands into Matt's jeans, gently freeing his portly python from the confines of his boxers and introducing it into the steamy confines of her hot, wet mouth. She felt it grow harder and longer down her throat as she sucked him and stroked him with ever-moistening hands.

"God, I love sucking cock," she confesses as she recalls the scene. "Matt's is perfect-long and thick with this wonderful curve that hits my G-spot. I can feel it deep, deep inside me when he slides it home. He goes really slow and I have to bite my tongue to keep from screaming when we fuck while my parents are home." She stops here, giggling. "But it tastes good, too, even when it's not all sticky with my pussy-juices after we do it. I like to taste myself on him. And his cock feels so soft and smooth even though it's rock-hard. Very, very hot."

She teased his head with her hands and tongue and gazed up at him with her big green eyes, smiling with his rod between her pretty pearly-whites, and then closing her lips around him. He endured it for perhaps half-a-minute more, then eased her away. He knew he was going to cum and he wanted to save that for a good romp. He wanted to fuck her and see her cute little rump immediately.

She gasped as he snatched her up, turning her to face the broad picture window as gorgeous Pacific-

Northwest scenery passed them by. Tori was a natural, though, moving smoothly from one sexy sequence to another, pressing her hands against the flawless pane. Matt pushed that miniskirt up over her slender hips and pulled her soaked panties to the side once more, wrapping it up over one hand like a cowboy on a bull in the chute, jamming his

thick eight-inch cock deep into her tiny tunnel, sheathing his weapon in one incredible thrust that made her moan and say his name in a sexy, wonderful whimper.

"You like that, baby?" he asked, playing with her. "You like that big, fat cock in your pussy?"

"Yeeesss," she whimpered. She liked it when he said dirty things.

"You gonna let me make a movie with you ever?" He slid in deeper. She gasped, moaned.

"Just for us to watch, right?"

"Just for us, baby. I want you to see what it looks like when I fuck you, what I see. It's so hot. Would you like to see that?"

"Yes..."

Her pussy grabbed him tight like a vise. He felt a tingle at the base of his nut sack. She had him.

"I can tell you're going to cum," she teased. "I'm gonna catch it in my mouth. I don't wanna make a mess in someone's sleeper car. And I don't want your cream seeping out of my pussy when we go get lunch after this." She was catlike, purring now, banging her tiny buns against his pelvis. "You gonna cum, baby?"

"Uh-huh," he breathed shakily, yanking his dick free as she spun, flawlessly, to wrap her lips around his head just in time, relishing every pulse of his balls as the load trickled down her gullet.

She sat on the window ledge, smoothing her skirt out. He came down from the orgasm for about a minute, then cleaned himself up, tucking his shirt in just as a woman let herself into the car.

"EXCUSE ME?" she said, clearly surprised to see them.

"We're sorry, Ma'am," Tori said sweetly. "We have the wrong car, but the view was so pretty we stood for a minute to enjoy it. Apologies."

The woman didn't seem entirely convinced as they let themselves out, but let it go. They'd worked up quite the appetite.

"I hope the dining car is still serving," Matt said, holding the door for his little lady as they disappeared down the slender corridor.

Tori was pleased. It was one less thing she needed to accomplish on the old Bucket List....

*Continued on page 68*

"Matt's is perfect-long and thick with this wonderful curve that hits my G-spot. I can feel it deep, deep..."

**Ariana may be dressed like an angel, but don't be fooled.**

She's actually just another horny teen playing innocent on Halloween. And we can't really blame her—not with a firm, little body like hers, complete with delectable tits and a super-tight, pink puss!

**Guys must hit on you all the time! What's the funniest pick-up line a guy has ever used on you?**

*"[Laughs] Oh, I wouldn't say all the time, but I do get some attention. I think I got it even more when I was a cheerleader. I guess the best one I can remember right now is, 'Hey girl, if being cute was a crime, you'd be in jail!' I laughed, but probably only because the guy was pretty good looking himself. I let him take me out for ice cream that day, but he didn't really have a lot going on upstairs so I wound up ditching him. I need a guy that's fun and laid back but also good to talk to. No silent types!"*

**HEIGHT:** 5'5" **WEIGHT:** 100 lbs.  
**BRA SIZE:** 34A **BORN:** March 15  
**LIVES:** Tarpon Springs, Florida

**So tell us more about yourself.  
What kinds of things do you enjoy?**

"I'm kind of your average teenager. I like hanging out with my friends a lot. I'm studying to become a nurse. And yes, I know you're wondering: I do love sex and have it three times a week!"

**Ava had a good time at her pal's Halloween party, but now it's time to get to bed..**

"I don't live in the States, so it was fun to see what this Halloween holiday was about. Kind of looked like an excuse for girls to dress slutty and boys to stare at them. I don't mind it, though. There were some pretty hot girls at my friend's house! I've never been with a girl. I only kissed one once. Her lips were so soft, and she smelled so good. I wouldn't mind doing it again and maybe trying more things. It's not such a big deal where I'm from."

**HEIGHT:** 5'6" **WEIGHT:** 116 lbs.  
**BRA SIZE:** 32A **BORN:** May 5  
**LIVES:** Riga, Latvia

### **Sounds good to us! Have you been with many boys before?**

"I have been with a few boys and also older men. I like the older men because they usually take me out for fancy dinners or they take me to the museums or out to classical concerts. I like cultured older men best. And the sex is always so good!"

**Do you like doing  
naughty things with  
these older men?**

"Oh, yes. I am always grateful of what a good time I have with them that I always make sure that they are taken care of. I like to suck dick for a long time, and they love holding my head down there. I usually swallow their cum, too. That really turns me on!"

**ALICE**  
**GETTING NIPPY**

### **Alice just loves to play dress-up!**

"Halloween is totally my favorite holiday! Dressing up in costumes is so much fun. I don't care if some of my friends think we're too old to wear them. I think it's a blast. Plus, guys seem to like when I wear a costume. Last year, I was a kitty cat and the year before that a little devil. I thought I'd go for a fairy this time. My favorite part about dressing up, though, is taking it all off for a special guy. This Halloween, I'm letting you guys take a peek!"

**HEIGHT:** 5'5" **WEIGHT:** 110 lbs.  
**BRA SIZE:** 32A **BORN:** Dec. 22  
**LIVES:** Fort Lauderdale, Florida

**We're honored! And by the way, can we just say how much we love your nipples?**

"Thanks! I know they're super puffy. I've never seen any like mine. They're so soft and sensitive. I've grown to like them, and guys always do, too!"

### IN FLIGHT

Cookie loved the Red Eye. In her five-plus years as a flight attendant, she'd run across colleagues who really didn't like working it for any number of reasons, but overnights were her favorite. Most of the time, the passengers slept. Some read or worked or quietly caught up on their favorite TV show with their devices on and their ear buds in. There wasn't much to do, really. So she often did a bit of the

"I can tell you're going to cum...I'm gonna catch it in my mouth."

same, settling into her jump seat with a good paperback.

But this time there was another diversion: Natalie.

She and Nat had come up together, trained and flown together. And stayed on a few fun overnights. The first had been in Atlantic City, N.J.—a place that Cookie, save the awesome view from her high-rise on the Boardwalk, found to be dingy and unimpressive. She and Nat had a day to kill due to bad weather, so they had a good time hitting a few casinos, blowing a little cash—neither were big gamblers, but playing black jack made them feel like high-rollers. The free drinks weren't bad, either.

They got along famously. And with a few rum punches under their belts, things got kind of heavy back in the hotel room.

"I had always been curious about

# CARMEN

TWO FOR ONE

### **Carmen thinks studying sucks!**

She doesn't understand the material, and frankly she does not give a shit. Carmen would rather fuck! And with two hung guys at her disposal she can barely keep her clothes on. Carmen is dying to be the meat in a cock sandwich! There's nothing hotter than a tiny teen flanked by two big dicks.

## **"I'm horny enough to handle two cocks!"**

We know that's true because Carmen is one of only a few girls that have fucked two guys at once here at *18eighteen*. Sucking cock while getting fucked is her ultimate pleasure. She doesn't miss a beat as the guys spin her around and take turns fucking her tight, warm teen holes. What a hot teen treat!

### Have you ever been in a three-way before?

"Of course! How else would I be able to handle two cocks at once? I started off doing three-ways with another guy and girl, and then eventually graduated to taking on two cocks. Now my favorite combination is to have two guys to play with. I like being manhandled, and I like being the center of attention. And best of all, I love getting down on my knees and sucking and jerking their cocks till they blow two big loads all over my face!"

being with a girl," Cookie told me, her cheeks flushing with a very sexy combination of embarrassment and arousal, "but Nat and I had this sort of connection. We almost looked like sisters, which I guess is weird to say, but that first kiss—was like kissing myself in a way. We're both California blondes—she's from Sacramento and I'm from San Diego—we're about the same height, the same slenderish build, the same small B-cups, the same height: five-foot-five. We just fit together like puzzle pieces, in every way possible."

That first night, Cookie told me, was hot beyond hot. They kissed; they stripped off one another's clothes and lay close, stroking each other's bodies with both familiarity and utter newness. Neither had been with a girl before, but they fell into one another hungrily, before long, lying in a sideways 69, exploring each other's pussies with curiosity and desire.

"I loved eating her," Cookie said. "I mean, I really just...ate her. I couldn't get enough. I was munching on her, pressing my face into the softness. Her lips were so full and soft and pillowy and I couldn't bear not to explore all the textures. It oddly felt like I was pressed into my own because her mouth was between my legs, working its way into my slit in all the same ways. I felt, there on my pulsing clit, and deep inside me, all the same things I was doing to her. It was unreal. And amazingly sexy."

Since then, Cookie and Nat, both now 24, had grown in their careers, which didn't always take them to the same places at the same time. Each had boyfriends. They lived in separate cities. But sometimes, when luck would have it, their schedules would align and sparks would fly.

"Neither of us has ever been with another girl," Cookie told me, "and as often as I might think another woman is sexy, it's Nat's pussy I always think about when I'm in that kind of a mood—Nat's sweet, juicy, blonde peach. She gets shy about it, but I have to tell you, I like her best when her bush is natural. She says she doesn't want to leave it that way for

# BAILEY

SPELLBINDING SLIT

### **Bailey is just a normal teen girl.**

She's a former cheerleader and gymnast who likes shopping, tanning and working out. She just enrolled in college and is majoring in Communications. And if you'd like to get her in her favorite position (cowgirl), take her to a drive-in movie theater. It makes her horny!

## So what's up with the costume, Bailey?

"It's Halloween, and I went to school dressed as a witch! I got a lot of compliments on my costume, but the best compliment I got was on my panties. I flashed them to this guy that I have a crush on, and he said he liked them."

## Want to win **Bailey's** panties?

Write us a letter telling us just how much you want them! Email [letters@18eighteen.com](mailto:letters@18eighteen.com). Send letters to **18eighteen**, 1629 NW 84th Ave, Miami, FL 33126. Deadline is Nov. 29, 2013.

### **Do you think you two are gonna bang?**

"I really hope so! I finger my pussy all the time thinking about him. I'm dying to fuck him! Today when I flashed him I wanted to pull my panties to the side and show him my slit so bad, but I held back. You don't want to give away too much too soon. I hope I don't have to wait much longer to fuck though!"

me—she wants to be almost bare, just a strip, like I usually have mine—but every time we're together she makes some excuse about how there wasn't time to wax or shave. I think watching my face all up in her bush turns her on. But she's too shy to admit it."

And now, Nat was on the plane, wearing her dress uniform, which most girls never do since the slacks are easier. But they always made a point to do the easy access thing. This time around, Cookie would be staying in New York, but Natalie would be jumping on a return flight to California right after they deplaned. There would be no time for long journeys through one another's sweet, wet lady parts on this journey. It was going to be a mile-high experience.

"They are always tricky," Cookie told me. "But we've worked out plans, waiting until we're at the halfway point, just after we've checked on all the passengers. And of course, if the plane is totally full—it's almost certainly not going to happen. As it turned out, this flight was less than half full. Terrible for business, but amazing for hookups."

They met in the galley most rear to the plane—which sat roughly 400 when at capacity—where the fewest passengers were

"And then we were cumming, both of us, quietly but breathing hard..."

ensconced. Once the curtain was drawn, they fell on one another, knowing well there would be time for only one of them to get off.

"I took my seat on the small counter first and Nat slipped my undies to the side. She knows just what I like, and before long I was there, quivering on the edge of cumming—so she decided to give me a show, hiking up her dress to show me she'd been going commando all along. So sexy watching her fiddling with her bushy, little muffin, spreading her lips to show me her sweet, pink insides while she fingered and flicked me with her other hand. My eyes kept going from her lovely face, to her dainty manicure as it manipulated my cunny, teasing and dancing and tickling and pinching, bringing me closer and closer. Then I'd shift again, staring at her fingers going wild, plunging between her lips, then spreading them open so I could see all the way up inside her pussy and how wonderfully slick and wet she was....

"And then we were cumming, both of us, quietly but breathing hard there in the galley, just feet from passengers watching HBO on their tablets, or snoring, or going through emails. I was coming, looking at Natalie's wet box while she fingered mine. And we were about 35,000 feet in the air. I'd like to find something more exhilarating than that," she jokes, breathy from the retelling. "Because that's the way I'd like to die if I have a choice."

She and Nat are on a transatlantic flight together in about a month. She's looking forward to an overnight in Paris. **18**

### Alana is inexperienced yet curious.

She hasn't done much, but she's willing to try a lot. Her sexuality is a blank canvas ready to be filled with the wonders of the kinky world. "I'm open to just about everything when it comes to sex. As long as you ask me before, I'll try just about anything!"

**She likes the feeling of a cock stretching out her mouth.**

Before Alana gives this guy the pleasure of her pussy, she gives him the pleasure of her mouth. This blonde beach bunny is a great cock sucker, taking it to the back of her throat and getting his dick nice and slick with her spit. "I haven't fooled around with too many guys, but I've done enough to know that I love sucking cock. I love seeing the guy's reaction to everything I do. I want to turn him on and make him horny!"

**Do you also like  
getting your pussy  
fucked, Alana?**

"Of course! While I'm sucking  
cock, I can feel my pussy tingling  
and aching to be fucked. So once  
that dick finally slides inside of  
me it's like the best feeling ever.  
Sometimes I cum right away."
